July 13, 2006 – For immediate release

Public workshops to offer information about passenger rail extension between San Bernardino and Redlands

San Bernardino Associated Governments (SANBAG) will host community workshops this month to explain the expansion of commuter rail service in San Bernardino, Loma Linda and Redlands.

These workshops, which are open to the public, will provide information about station locations and proposed “transit villages” that could include housing, retail centers, offices, entertainment venues and parks near each station. The workshops also will address SANBAG’s Long-Range Transit Plan for the San Bernardino Valley.

Representatives from SANBAG, Metrolink, Omnitrans, San Bernardino, Loma Linda and Redlands will be on hand to answer questions and provide information about the proposed rail service in the east valley and long-range transit options in the San Bernardino Valley.

Workshops will be held:

- July 18, Feldheym Library, 555 W. 6th St., San Bernardino, 4 p.m. to 7 p.m.; brief presentation at 5:30 p.m.
- July 27, Downtown Market Night, State Street, Redlands, 6 p.m. to 9 p.m.
- July 31, Senior Center, 25571 Barton Rd., Loma Linda, 4 p.m. to 6:30 p.m.; brief presentation at 5:30 p.m.

For more information about the workshops or transit projects, call SANBAG Director of Transit/Rail Programs Mike Bair at (909) 884-8276.
